PUBLIC NOTICE

**SUSPENSION ON ISSUANCE OF NEW
SLOT MACHINE/ROUTE OPERATION LICENCES**

The Gaming Board of Tanzania (GBT) would like to inform the general public that, owing to the growing regulatory challenges, it has temporarily halted issuance of Slot Machines / Route Operation licences to the new applicants of the respective operation. The halt is intended to accord the GBT with an opportunity to complete setting up the Electronic Monitoring System which is intended to manage slot machines operations.

Meanwhile, the GBT will use this window to address the issues of illegal slot machines operations which has adversely affected the image of gaming industry. Resumption of licences issuance for this operation will depend on successful implementation of the stated measures.
